

8th
EUROPEAN
ENDOMETRIOSIS
CONGRESS

23rd - 25th of April 2026
Bologna, Italy
Palazzo Re Enzo

PROGRAM

EEC
2026

www.eec2026.com

THURSDAY, APRIL 23

AT A GLANCE

HALL A PALAZZO RE ENZO

8:30-8:45	Welcome Word
9:00-12:05	THE PERFECT MATCH (MORNING SESSION) <i>(EEL-ISUOG-ESGE)</i> INCLUDES SESSION OF LIVE SCANS <i>Sponsored by GE Healthcare</i>
10:05-10:20	Coffee Break ☕
12:05-12:35	Lunch Symposium GE Healthcare
12:35-18:00	THE PERFECT MATCH (AFTERNOON SESSION) <i>(EEL-ISUOG-ESGE)</i> INCLUDES SESSION OF LIVE SCANS <i>Sponsored by GE Healthcare</i>
15:35-15:50	Coffee Break ☕
19:30	Faculty Dinner 🍴

Hall B PALAZZO RE ENZO

Welcome Word <i>Live Streamed from Hall A</i>	
8:30-13:00	ENDOANATOMY-LAPAROSCOPIC AND ROBOTIC CADAVERIC DISSECTION <i>Sponsored by Medtronic and Intuitive</i>
13:00-14:00	Lunch Symposium Smith & Nephew
14:00-18:00	ENDOTACTICS - STRATEGIC DECISION-MAKING FOR CHALLENGING CASES & COMPLICATIONS WITH ENDOMETRIOSIS <i>Sponsored by Ziwig</i>
16:10-16:30	Coffee Break & MDT NETWORKING ☕

Hall C SALA BORSA

Welcome Word <i>Live Streamed from Hall A</i>	
8:30-13:00	ART IN ENDOMETRIOSIS PATIENTS: PRACTICAL TIPS AND TRICKS
10:00-10:30	Coffee Break ☕
13:00-14:00	Lunch Symposium Theramex
14:00-17:45	NON-SURGICAL MANAGEMENT OF ENDOMETRIOSIS-ASSOCIATED PAIN
15:45-16:00	Coffee break ☕

Hall D ARCHIGINNASIO

14:00-17:30	NURSE COURSE
19:30	Faculty Dinner 🍴

THURSDAY, APRIL 23

HALL A PALAZZO RE ENZO

8:30-
8:45 **Welcome Word**

9:00-
12:05 **The Perfect Match (EEL-ISUOG-ESGE)**
Moderators: Alessandra Di Giovanni/
Attila Bokor

9:00-
9:05 **Welcome and introduction**
Ligita Jokubkiene, Attila Bokor

9:05-
9:20 **What does the surgeon need from the
ultrasound examination?**
Gernot Hudelist

9:20-
9:35 **How to examine a woman with suspected
endometriosis and to describe ultrasound
findings based on IDEA protocols?**
Ligita Jokubkiene

9:35-
9:50 **Classification of Endometriosis: A Clinical
Perspective**
Jörg Keckstein

9:50-
10:05 **Q&A**
All faculty

10:05-
10:20 **Coffee Break** ☕

10:20-
11:05 **Superficial endometriosis**
Moderators: Ligita Jokubkiene, Ertan
Saridogan, Simona Del Forno

10:20-
10:35 **Ultrasound and superficial endometriosis:
towards Non-invasive diagnosis**
Mathew Leonardi

10:35-
10:50 **Superficial endometriosis: is surgery the
solution?**
Andrew Horne

10:50-
11:05 **Q&A**
All Faculty

11:05-
12:05 **Live scans**
Moderators: Ligita Jokubkiene/
Alessandra Di Giovanni

12:05-
12:35 **Lunch Symposium**
GE Healthcare

12:35-
13:35 **Lateral compartment**
Moderators: Ligita Jokubkiene/
Ertan Saridogan

12:35-
12:50 **Ultrasound assessment of the
parametrium: anatomical guidance**
Gabor Szabó

12:50-
13:05 **Ultrasound power in detecting
endometriosis lesions in the
parametrium**
Alessandra Di Giovanni

13:05-
13:20 **From Imaging to Incision: the impact of
sonography on surgical strategy for
endometriosis in the parametrium
including sacral roots**
Attila Bokor

13:20-
13:35 **Q&A**
All faculty

13:35-
14:35 **Live scans**
Moderators: Ligita Jokubkiene/
Alessandra Di Giovanni

14:35-
15:35 **Infertility**
Moderators: Ligita Jokubkiene/
Attila Bokor

14:35-
14:50 **Adenomyosis – diagnostic criteria**
Tina Tellum

14:50-
15:05 **From implantation to infertility: the
impact of adenomyosis on reproductive
outcomes**
Ezgi Darici

15:05-
15:20 **Surgery for Ovarian Endometriosis: does
it improve fertility?**
Ertan Saridogan

15:20-
15:35 **Q&A**
All Faculty

15:35-
15:50 **Coffee Break** ☕

15:50-
16:35 **Pelvic pain in adolescents**
Moderators: Alessandra Di Giovanni/
Ertan Saridogan

15:50-
16:05 **Diagnosing adenomyosis and
endometriosis in adolescents. Clinical
challenges**
Caterina Exacoustos

16:05-
16:20 **Management of dysmenorrhea in
adolescents**
Paolo Vercellini

16:20-
16:35 **Q&A**
All Faculty

THURSDAY, APRIL 23

HALL A PALAZZO RE ENZO

16:35- **Final Session**
18:00 Moderators: Alessandra Di Giovanni,
Attila Bokor

16:35- **Role of MRI in diagnosing endometriosis
and adenomyosis – criteria and
approaches**
16:50 Lucia Manganaro

16:50- **Seeing beyond the surface: intraoperative
ultrasound in endometriosis surgery**
17:05 Alin Constantin

17:05- **Endometriosis and adenomyosis diagnosis
in the hands of the pathologist –
diagnostics approaches and challenges**
17:20 Gianfranco Zannoni

17:20- **Collaborative approach between
sonography and surgery: benefits,
limitations, and challenges from the
perspectives of surgeons and
ultrasound specialists**
17:50 Panel discussion:
Attila Bokor, Ligita Jokubkiene,
Ertan Saridogan, George Condous

17:50- **Closing**
18:00 Ertan Saridogan,
Alessandra Di Giovanni

19:30 **Faculty Dinner** ⓘ

THURSDAY, APRIL 23

HALL B PALAZZO RE ENZO

8:30-
8:45 **Welcome Word**
Live Streamed from Hall A

8:45-
13:00 **EndoAnatomy- laparoscopic and robotic cadaveric dissection**
Moderators:
Pawel Basta/ Taner Usta / Filipa Osorio/
Nadine di Donato

9:00-
11:00 **From Bologna**
Laparoscopic Surgery: Diego Raimondo/
Jon Einarsson/ Nucleio Lemos

11:00-
13:00 **From Amsterdam (Intuitive Skills Centre)**
Robotic Surgery:
Gaby Moawad/ Mikkel Seyer-Hansen

13:00-
14:00 **Lunch** 🍴

13:15-
13:45 **Symposium Smith & Nephew**

13:15-
13:30 **"Surgical Site Complications: Barriers and Best Practices in ERAS / GERM Implementation**
Jose Luis Sanchez Iglesias

13:30-
13:45 **Is sNPWT Really "Magic"? Identifying High-Risk Patients and Understanding Its Mechanisms of Action**
Stamatios Petousis

14:00-
18:00 **EndoTactics - Strategic Decision-Making for Challenging Cases & Complications with Endometriosis**

Course Directors & Moderators:
Guri Majak / Susan Freeman / Carlo Alboni / Alin Constantin

Moderators: Gernot Hudelist (Endometriosis Surgeon)/ Gregoris Grimbizis (Endometriosis Surgeon)

14:00-
14:10 **Welcome & Introduction**
Workshop goals
Session format and interactivity rules
Introduction of the expert panel

14:10-
14:50 **Session 1:
Deep Posterior Compartment Disease**
Alin Constantin/ Susan Freeman
Colorectal surgeons: Atanu Pal & Francesco Santullo

- Challenging rectosigmoid DE
- Conservative vs radical surgery
- Role of radiology in pre-op planning
- Balancing bowel function and peri-operative outcomes

Panel:

- Advanced Endometriosis Surgeon
- Colorectal Surgeon
- Pelvic Radiologist

14:50 –
15:30 **Session 2: Urinary Tract Involvement**
Carlo Alboni/ Susan Freeman
Urologist: Stefano Pulliatti

- Challenging urinary tract endometriosis
- Strategies for co-existing adenomyosis
- Imaging and pre-op stenting strategies
- Intraoperative decisions: dissection vs reimplantation of the ureters
- Dealing with hydronephrosis and delayed complications

Panel:

- Advanced Endometriosis Surgeon
- Urologist
- Radiologist

15:30-
16:10 **Session 3: Thoracic endometriosis**
Guri Majak/ Peter Majak/ Susan Freeman

- Peri-operative workup
- Radiological input.
- Diaphragmatic and thoracic endometriosis

Panel:

- Endometriosis Surgeon
- Radiologist
- Thoracic surgeon

16:10-
16:30 **Coffee Break & MDT Networking** ☕

16:30-
17:10 **Session 4: Nerve involvement**
Ana Sierra/Wendaline Van Buren

- Pre-operative diagnostics
- Radiological input
- Peri-operative strategies
- Post-operative neuropathy; follow up and treatment

Panel:

- Endometriosis Surgeon
- Radiologist
- Neuropelveologist

17:10-
18:00 **Session 5: WHEN EVERYTHING GOES WRONG**

Closure and take home message.
All specialities represented on the panel.

19:30 **Faculty Dinner** 🍴

THURSDAY, APRIL 23

HALL C SALA BORSA

8:30-
8:45 **Welcome Word**
Live Streamed from Hall A

8:30-
13:00 **ART in Endometriosis patients:
practical tips and tricks**
Moderators: Anis Feki/ Carla Tomassetti/
Engin Oral/ Renato Seracchioli

8:30-
8:40 **Welcome and Opening Remarks**
Anis Feki

8:40-
9:00 **Non-invasive imaging approaches for
diagnosis of pelvic endometriosis and
current endometriosis classification
systems**
Carla Tomassetti

9:00-
9:20 **Tailoring medical therapy before ART:
suppression, timing & hormonal
strategies**
Jacques Donnez

9:20-
9:40 **Controlled ovarian stimulation: key
adjustments for endometriosis and poor
responders**
Juan Antonio Garcia Velasco

9:40-
10:00 **Optimization of the chances of success
of IVF: When to propose surgery and
what to do?**
Marcello Ceccaroni

10:00-
10:30 **Coffee Break** ☕

10:30-
10:50 **Fertility Preservation: egg freezing in
women with endometriosis – when and
how?**
Edgardo Somigliana

10:50-
11:10 **Optimizing Embryo Transfer: uterine
preparation & timing in adenomyosis
cases**
Paul Pirtea

11:10-
11:30 **Recurrent failure of IVF in Endometriosis
patients: what is the next step?**
Luca Gianaroli

11:30-
12:00 **Clinical Cases: custom protocols and
their outcomes**
Engin Oral

12:00-
13:00 **Top 10 Practical Pearls: ART success in
endometriosis patients and interactive
panel discussion & Q&A with Faculty**
Moderated by course directors

13:00-
14:00 **Lunch** 🍴

13:15-
14:00 **Symposium *Theramex***

13:15-
13:20 **Welcome & Introductions**
Renato Seracchioli

13:20-
13:30 **Endometriosis: Pathophysiology and
the Evolving Landscape of Medical
Treatment**
Jacques Donnez

13:30-
13:50 **Endometriosis in Practice: Real-World
Patient Cases with Linzagolix**
Diego Rossetti
Angeles Martinez-Zamora

13:50-
14:00 **Panel Discussion: Q&A from the audience**
Moderated by Renato Seracchioli

14:00-
17:45 **Non-surgical management of
endometriosis-associated pain**
Moderators:
Katy Vincent/ Paul Yong/ Annemiek Nap

14:00-
14:15 **Welcome and learning objectives**
Katy Vincent

14:15-
14:30 **My journey with endometriosis-
associated pain- Patient**
(pre-recorded presentation)

14:30-
14:45 **Expert Consensus on Why do we need
to take a pain-focused approach to
endometriosis?**
Katy Vincent

14:45-
15:15 **Clinical predictors of quality of life
after endometriosis surgery**
Paul Yong

15:15-
15:45 **Navigating hormonal approaches to
endometriosis-associated pain**
Annemiek Nap

15:45-
16:00 **Coffee Break** ☕

16:00-
16:30 **Non-hormonal medical approaches to
endometriosis -associated pain**
Andrew Horne

16:30-
17:00 **What is the role of the psychologist in
the management of endometriosis-
associated pain?**
Emma Evans

17:00-
17:30 **What is the role of the physiotherapist
in the management of endometriosis-
associated pain?**
Kari Bo

17:30-
17:45 **Closing remarks**
Paul Yong

17:45 **Close of meeting**

19:30 **Faculty Dinner** 🍴

THURSDAY, APRIL 23

Hall D ARCHIGINNASIO

14:00-
17:00

Nurse Course

Moderators: Kirsty Wyatt/ Marianna Aleandri

14:00- **Nursing skills and expertise within a diagnostic and therapeutic care pathway: the experience of our regional network**
14:30
Marianna Aleandri

15:00- **The patients story and expectations (patient advocates)**
15:30
Eva Walle

16:00- **The role of the psychologist within the multidisciplinary team**
16:30
Chiara Ferracuti

14:30- **Raising the Standard: the benefits of a multi-specialty CNS approach at CCL**
15:00
Kirsty Wyatt

15:30- **Care coordination and support for women with infertility associated with edometriosis- a nursing perspective**
16:00
Malgorzata Kudzia

16:30- **TBC**
17:00

19:30

Faculty Dinner 

FRIDAY, APRIL 24

AT A GLANCE

HALL A PALAZZO RE ENZO

Hall B PALAZZO RE ENZO

Hall C SALA BORSA

8:30-8:45	Welcome Word		Welcome Word <i>Live Streamed from Hall A</i>		Welcome Word <i>Live Streamed from Hall A</i>
8:45-10:50	LIVE SURGERY SESSION	9:00-10:30	NEW FRONTIERS IN MANAGEMENT OF ENDOMETRIOSIS AND ADENOMYOSIS	9:00-10:30	INFERTILITY: UP TO DATE
		10:30-11:00	POSTER PRESENTATIONS: BEST SUBMITTED POSTERS P1-P36	10:30-11:00	POSTER PRESENTATIONS: BEST SUBMITTED POSTERS P37-P65

15:30-18:00	LIVE SURGERY SESSION	15:30-17:30	ENDOMETRIOSIS IN DIFFERENT AGES: THE LONG JOURNEY (INCLUDING PREGNANCY)	16:00-18:00	ENDOMETRIOSIS 360°
18:00-18:30	AWARDS CEREMONY				
19:30			Congress Dinner <i>Palazzo Gnudi</i> 🍴		

FRIDAY, APRIL 24

HALL A PALAZZO RE ENZO

8:30-
8:45 **Welcome word**

8:45-
10:50 **Live surgery session**
Moderators: Pere Barri/ Voicu Simedrea/
Ewa Milnerowicz-Nabzdyk

OR 1 (Laparoscopy, Bologna):
Surgeon TBC

OR 2 (Laparoscopy, Bologna):
Surgeon TBC

OR 3 (Robotic, Da Vinci, Bologna):
Surgeon TBC

OR 4 (Robotic, Da Vinci, Bordeaux):
Horace Roman

10:50-
11:30 **Coffee Break** ☕
Symposium Focal One

10:50-
11:30 **High-Intensity Focused Ultrasound for
Rectal Endometriosis: moving toward a
new clinical paradigm**
Gil Dubernard

11:30-
13:00 **Endometriosis: we need to
understand more**
Moderator: Michele Vignali/
Ertan Saridogan/ Maria Grazia Porpora

11:30-
11:50 **Causes, consequences and
collaborations towards clinical
classification of endometriosis**
Stacey Missmer

11:50-
12:10 **Emerging theories of the pathogenesis of
adenomyosis ?**
Tina Tellum

12:10-
12:30 **Building organoids for personalized
diagnostics and treatments/
Endometriosis on a chip**
Linda Griffith

12:30-
12:50 **Endometriosis related infertility: what do
we know ?**
Yakoub Khalaf

12:50-
13:00 **Round table
discussions**

13:00-
13:40 **OPENING CEREMONY**

13:40-
14:30 **Lunch** 🍴

13:40-
14:30 **Symposium Medtronic**
**Beyond Surgical Excision: Advancing
Strategy, Technology, and Outcomes in
Endometriosis Surgery**
Moderator: Dr. Guri Majak

13:40-
14:30 **Robotic Surgery for Endometriosis:
Technical Insights from the Hugo™
RAS System**
Helder Ferreira

13:40-
14:30 **Surgical Strategy in Deep
Endometriosis:
Decision-Making Beyond Excision**
Mohamed Mabrouk

14:30-
15:30 **Expert insights: beyond the guidelines.
Round table**
Moderator: Annemiek Nap/
Mohamed Mabrouk

- Hans Tinneberg
- Arnaud Wattiez
- Jörg Keckstein
- Renato Seracchioli
- Mauricio Abrao
- Paolo Vercellini
- Caterina Exacoustos
- Linda Griffith
- Stacey Missmer

15:30-
18:00 **Live Surgery Session:**
Moderator: Elvira Brătîlă/ Arvind
Vashisht/ Pawel Basta/Massimo Candiani

OR 1 (Laparoscopy, Bologna):
Surgeon TBC

OR 2 (Laparoscopy, Bologna):
Surgeon TBC

OR 3 (Robotic, HUGO, Bologna):
Surgeon TBC

OR 4 (Laparoscopy, Avellino):
Mario Malzoni

18:00-
18:30 **AWARDS CEREMONY**

19:30 **Congress Dinner** 🍴
Palazzo Gnudi

FRIDAY, APRIL 24

HALL B PALAZZO RE ENZO

- 8:30-
8:45 **Welcome Word**
Live Streamed from Hall A
- 9:00-
10:30 **New Frontiers in Management of Endometriosis and Adenomyosis**
Moderators: Giuseppe Ettore/ Feviz Shakir/ Emanuela Spagnolo
- 9:00-
9:20 **Role of GnRH antagonists in management of endometriosis**
Ludwig Kiesel
- 9:20-
9:40 **Anti-angiogenesis therapy for adenomyosis**
Arjan Griffioen
- 9:40-
10:00 **Resveratrol - mechanism of action for complementary medicine**
Youzhe Yang
- 10:00-
10:20 **Modern understanding of Endometriosis genetics and molecular diagnosis**
Krina Zondervan
- 10:20-
10:30 **Round table discussion**
- 10:30-
11:00 **Poster presentations: Best submitted Posters P1-P36**
Moderators: Giulia Borghese/ Antonio Raffone/ Paul Pirtea/ Aida Petca
See posters details at page 19
- 11:00-
11:30 **Coffee Break** ☕
Symposium Erbe
- 11:30-
13:00 **Oral presentations: Best submitted abstracts**
Moderators: Alessandro Arena/ Angelos Daniilidis/ Luigi Cobellis
- 11:30-
11:36 **EndoSOF: Study protocol for a national RCT on first-line surgery versus ART in patients with advanced endometriosis**
Malin Brunen
- 11:36-
11:42 **Multidisciplinary, coordinated care pathways optimize postoperative fertility in bowel endometriosis**
Xiaofang Yi
- 11:42-
11:48 **Identification of genomic signatures associated with female infertility in endometriosis and other chronic women's health conditions**
Krystyna Taylor
- 11:48-
11:54 **Advancing insights into uterine innervation: computer-assisted dissection and immunohistochemistry in the exploration of benign gynecological pelvic pathologies**
Roux Léa
- 11:54-
12:00 **Diaphragmatic and Thoracic Endometriosis: retrospective outcomes, classification, and treatment evaluation (DETECT)**
Hanneke de Bruin
- 12:00-
12:06 **Identification of a circulating immunological signature as a liquid biopsy approach for the diagnosis of endometriosis**
Emanuela Spagnolo
- 12:06-
12:12 **Is a temporary stoma truly protective in bowel endometriosis surgery? A systemic review and meta-analysis**
Yunxi Zheng
- 12:12-
12:18 **A New Era in Endometriosis Diagnosis: validating SonoPODography for superficial endometriosis**
Shay Freger
- 12:18-
12:24 **Combined treatment with endometrial ablation plus levonorgestrel releasing intrauterine system versus endometrial ablation alone in women with heavy menstrual bleeding (MIRA2 study); a multicentre randomised controlled superiority trial.**
Tamara Oderkerk
- 12:24-
12:30 **In vivo imaging of angiogenesis in endometriosis lesions**
Tatjana Gibbons
- 12:30-
12:36 **Dienogest in progestin-primed protocols for medically assisted reproduction. Oral presentation**
Cristian Forastiere
- 12:36-
12:42 **Detection and quantification of free pelvic fluid by transvaginal ultrasound as a proxy for retrograde menstruation: a cohort study**
Noemi Salmeri
- 12:42-
12:48 **The #Enzian 2025 Project - results of Round 1 International Delphi survey on the #Enzian classification update**
Milena Petrovic
- 12:48-
12:54 **Phthalates exposure in women with endometriosis: a role in the severity of disease? A case-control study**
Giussy Barbara

FRIDAY, APRIL 24

HALL B PALAZZO RE ENZO

12:54-13:00 **Total body PET-CT using the novel radiotracer 18F-GP1 identifies superficial and deep endometriosis**
Lucy Whitaker

13:00-13:40 **OPENING CEREMONY**
Live streamed from HALL A

13:40-14:30 **Lunch** 🍴

13:40-14:20 **Symposium Zaccanti**

14:30-15:30 **Oral presentations: Best submitted abstracts**
Moderators: Simona Del Forno/
Martino Rolla/ Stefano Scarperi

14:30-14:36 **Work productivity and work ability in women with endometriosis: a cross-sectional study**
Dora Balogh

14:36-14:42 **Galectins as non-invasive diagnostic biomarkers in endometriosis**
Brubel Réka

15:42-15:48 **Impact of an Anti-Inflammatory Diet on quality of life, pain, and inflammation in ENDometriosis: AIDEN-study**
Emma Huijs

14:48-14:54 **Oral cannabinoid-based medicinal products for pain and symptom management in endometriosis: a prospective cohort study**
Renata Voltolini Velho

14:54-15:00 **Rapidity of onset of dysmenorrhoea and non-menstrual pelvic pain reduction with linzagolix in women with endometriosis-associated pain: a post-hoc analysis of the EDELWEISS 3 and EDELWEISS 6 trials**
Christian Becker

15:00-15:06 **Bladder Endometriosis: a clinicoanatomic classification of subtypes and surgical implications**
Milena Schnell

15:06-15:12 **Quality of life and infertility outcomes after minimally invasive surgery for deep infiltrating endometriosis**
Andrei Manu

15:12-15:18 **Impact of conception mode on obstetric outcomes after endometriosis surgery**
Elena Defarges Palacín

15:18-15:24 **CD47 and CDK2 Pathways as Therapeutic Targets in Endometriosis Subtypes: insights from transcriptomic meta-analysis**
Monika Golinska

15:30-17:30 **Endometriosis in different ages: the long journey (including pregnancy)**
Moderators: Jörg Keckstein/Ettore Cicinelli/ Carla Tomasetti

15:30-15:45 **Ovarian Endometriosis on Ultrasound: age-related changes from fertility to menopausal transition**
Lucia Lazzeri

15:45-16:00 **Adolescent endometriosis & adenomyosis**
Caterina Exacoustos

16:00-16:15 **Young patients with adenomyosis: at risk of under - or overdiagnosis?**
Tina Tellum

16:15-16:30 **Hormonal Therapies in Reproductive Medicine for Women with Endometriosis: balancing clinical efficacy and adverse events**
Andrew Horne

16:30-16:45 **Does endometriosis increase pregnancy-related risks?**
Errico Zupi

16:45-17:00 **Menopause in Endometriosis: patterns, age of onset and clinical implications**
Paolo Vercellini

17:00-17:15 **Cancer risk in endometriosis**
Michael Mueller

17:15-17:30 **Round table discussions**

19:30 **Congress Dinner Palazzo Gnudi** 🍴

FRIDAY, APRIL 24

HALL C SALA BORSA

8:30-
8:45 **Welcome Word**
Live Streamed from Hall A

9:00-
10:30 **Infertility: Up To Date**
Moderators:
Yusuf Aytac Tohma/ Antonio Maiorana/
Jean Marc Ayoubi

9:00-
9:15 **Refining the role of surgery for deep infiltrating endometriosis in infertile women**
Helder Ferreira

9:15-
9:30 **AMH levels in superficial and deep infiltrating endometriosis**
Georgios Grigoriadis

9:30-
9:45 **Adenomyosis and infertility**
Mohamed Bedaiwy

9:45-
10:00 **Ovarian reserve and surgery for endometriosis**
Akira Iwase

10:00-
10:15 **Towards global guidelines in management of endometriosis and infertility**
Christian Becker

10:15-
10:30 **Round Table discussion**

10:30-
11:00 **Poster presentations:
Best submitted Posters P37-P65**
Moderators: Francesco Cosentino/
Daniele Mautone/ Manuela Maletta/
Jamal Fikri

11:00-
11:30 **Coffee Break** ☕

11:30-
13:00 **Video presentations:
Best submitted Videos**
Moderators:
Stefano Angioni/ Manuel Ianieri/ Taner Usta

11:30-
11:35 **Nerve-sparing surgery for deep endometriosis using the newer single-port robotic system: Step-by-step technique with ICG navigation**
Kiyoshi Kanno

11:35-
11:40 **Nerve-plane sparing technique for deep endometriosis: The Kurashiki Method**
Taisuke Iwata

11:40-
11:45 **Deep Tubal Endometriosis: utilising the full value of robotic precision and ICG guidance**
Oscar Barnick

11:45-
11:50 **The use of Near-Infrared IndoCyanine Green (NIR-ICG) fluorescence in laparoscopic hysterectomy and deep endometriosis excision: a video article**
Giuseppe Mercurio

11:50-
11:55 **Robotic treatment of cystic adenomyoma: a surgical video case**
Cosme Velasco Muñoz

11:55-
12:00 **Intraoperative management of the adenomyosis from the middle third of the myometrium**
Arina Banu

12:00-
12:05 **Before Shaving It, Just Green It: the role of ICG mapping in rectal deep infiltrating endometriosis**
Ines Hfaiedh

12:05-
12:10 **Preserving Ureteral Integrity in Deep Infiltrating Endometriosis: a robot-assisted approach**
Marco Lengauer

12:10-
12:15 **Complex Multi-Organ Endometriosis: a case of bilateral ureteral obstruction and bowel involvement managed by combined endoscopic and robotic approach**
Lorella Auricchio

12:15-
12:20 **Combined lateral and medial approach for vascular and neural decompression in parametrial endometriosis: laparoscopic video demonstration**
Luccas Chagas

12:20-
12:25 **Excision of deep vaginal endometriosis in 5 steps**
Emad Mikhail

12:25-
12:30 **Single stapling laparoscopic Natural Orifice Specimen Extraction (NOSE) colorectal resection for colorectal deep infiltrating endometriosis**
Noémi Dobó

12:30-
12:35 **Imaging diagnosing and laparoscopic resection of sacral nerve roots deep endometriosis. A case report**
Ewa Rabiej-Wrońska

12:35-
12:40 **Single-Port Robotic-assisted management of deep parametrial and rectal endometriosis**
Harald Krentel

FRIDAY, APRIL 24

HALL C SALA BORSA

13:00- **OPENING CEREMONY**
13:40 *Live streamed from HALL A*

13:40- **Lunch** 🍴

13:40- **Symposium Gedeon Richter**

Simple therapeutic approach to manage complex gynaecological conditions

14:30- **Patient's advocacy meeting - Endometriosis in 2026: A Dialogue Between Patients and Experts**
16:00
Moderators:
Krystal Timoh, Gabriele Centini

14:30- **AENDO Associazione Italiana Dolore Pelvico ed Endometriosi ODV (Italy)**
14:35
Luca Fassina

14:35- **Endometriose Stichting (The Netherlands)**
14:40
Femke Jansen

14:40- **La Voce di Una è la Voce di Tutte (Italy)**
14:45
Vania Mento

14:45- **The Norwegian Endometriosis Association (Norway)**
14:50
Elisabeth Raasholm Larby

14:50- **Endometriosi: firma adesso! (Italy)**
14:55
Sara Beltrami

14:55- **Fundacja Pokonac Endometriozę (Poland)**
15:00
Aleksandra Bielak

15:00- **Associazione Progetto Endometriosi (Italy)**
15:05
Annalisa Frassinetti & Bruna Abramo

15:05- **'Together it's easier' For Women's Health Foundation (Hungary)**
15:10
Adrienn Salamon

15:10- **Arienne Endometriosi (Italy)**
15:15
Sonia Cellini

15:15- **Endometriose-Vereinigung Deutschland e.V (Germany)**
15:20
Eva Walle

15:20- **Round Table on New Hot Topics**
15:50

Topic 01 - Telemedicine and endometriosis: how do we combine innovation with quality care?

Topic 02 - Social media is where patients are: how can clinicians be present, credible, and responsible?

15:50- **Research Presentation: A qualitative study of endometriosis patient experiences of interacting with primary healthcare professionals in the United Kingdom**
16:00
Sarah Harris

16:00- **ENDOMETRIOSIS 360°**
18:00
Martin Rudnicki/
Vimee Bindra/
Hemantha Senanayake

16:00- **Evolving concepts in Endometriosis surgery**
16:15
Arnaud Wattiez

16:15- **Evaluating the impact of exercise and pelvic floor rehabilitation on pelvic pain in endometriosis patients**
16:30
Rakel Gabrielsen

16:30- **Icg and endometriosis surgery: every little helps**
16:45
Michael Mueller

16:45- **Managing Endometriosis: the emerging role of diet in multidisciplinary treatment**
17:00
Annemiek Nap

17:00- **Interventional pain management in pelvic pain**
17:15
Anca Ionescu

17:15- **Imaging for endometriosis: yesterday, today and tomorrow**
17:30
Wendaline Van Buren

17:30- **EEL-EFI Survey on MUSA criteria for adenomyosis**
17:45
Vimee Bindra

17:45- **Round table discussions**
18:00

19:30 **Congress Dinner Palazzo Gnudi** 🍴

SATURDAY, APRIL 25 AT A GLANCE

Hall A PALAZZO RE ENZO

9:00-
11:00

**POSSIBLE ANSWERS TO BURNING
QUESTIONS IN ENDOMETRIOSIS
MANAGEMENT**

11:00-
11:30

Coffee Break ☕

11:30-
13:30

**SHAPING PRIORITIES FOR ENDO
CARE**

13:30-
14:10

Lunch 🍴

14:10-
14:30

CLOSING CEREMONY

14:30-
15:30

EEL GENERAL ASSEMBLY

Hall B PALAZZO RE ENZO

9:00-
11:00

**ENDOMETRIOSIS: HOW SILENT
ANATOMY CAN SPEAK**

11:00-
11:30

Coffee Break ☕

11:30-
13:30

**YOUNG PRESENTERS EEL AND
ETIC SESSION: BEST SUBMITTED
ABSTRACTS**

13:30-
14:10

Lunch 🍴

14:10-
14:30

CLOSING CEREMONY
Live Streamed from Hall A

SATURDAY, APRIL 25

HALL A PALAZZO RE ENZO

9:00-11:00 **Possible answers to burning questions in endometriosis management**
Moderators: Giuseppe Vizzielli/
Ligita Jokubkiene

9:00-9:15 **The natural course of endometriosis: progressive, regressive or stationary?**
Davor Jurkovic

9:15-9:30 **Non-excisional surgery for ovarian endometriosis: what is the current evidence**
Gemma Lahoz Cassaramona

9:30-9:45 **Peritoneal endometriosis: ultrasound and laparoscopic diagnosis**
Stefano Guerriero & Alin Constantin

9:45-10:00 **Deep Endometriosis surgery: when and what?**
Alexander Popov

10:00-10:15 **Medical management of endometriosis: which for whom?**
Ludwig Kiesel

10:15-10:30 **Chronic pain syndromes and endometriosis: when everything hurts**
Robert de Leeuw

10:30-10:45 **Artificial intelligence-driven decision tree model for predicting quality of life determinants in women with endometriosis**
Mauricio Abrao

10:45-11:00 **Round table discussions**

11:00-11:30 **Coffee Break** ☕

11:30-13:30 **SHAPING PRIORITIES FOR ENDO CARE**
Moderators: Mohamed Mabrouk/
Ertan Saridogan/Arvind Vashisht

11:30-11:40 **EndoCare yesterday, today and tomorrow**
Ertan Saridogan

11:40-11:50 **Endometriosis care journey in South America**
Mauricio Abrao

11:50-12:00 **The African reality**
Ahmed El-Minawi and Joe Njagi

12:00-12:10 **The Asian experience**
Hemantha Senanayake & Vimee Bindra

12:10-12:20 **Endometriosis care in Britain**
Arvind Vashisht

12:20-12:30 **The Global Prespective and future of endometriosis care**
Andrew Horne

12:30-12:40 **EndoCentres and Surgeons: we need to speak the same language**
Mohamed Mabrouk

12:40-12:50 **The Italian Job: endometriosis network**
Renato Seracchioli

12:50-13:00 **Polish style: recent developments in EndoCare in Poland**
Pawel Basta

13:00-13:10 **Patient's perspectives**
Annalisa Frassinetti &
Adrienn Salamon & Eva Walle

13:10-13:30 **Round table discussions**

13:30-14:10 **Lunch** 🍽️

14:10-14:30 **CLOSING CEREMONY**

14:30-15:30 **EEL GENERAL ASSEMBLY**

SATURDAY, APRIL 25

HALL B PALAZZO RE ENZO

9:00-11:00 **Endometriosis: how silent anatomy can speak**
Moderators:
Vito Chiantera/
Valentino Remorgida/ Nuclelio Lemos

9:00-9:15 **The history of endometriosis and surgical treatment**
Gernot Hudelist

9:15-9:30 **Robotic surgery for endometriosis: does it make a difference ?**
Diego Raimondo

9:30-9:45 **Neuropelvelogy: is it that easy?**
Benoit Rabischong

9:45-10:00 **Clinical examination in Neuropelvelogy: mapping the pelvic nerves for diagnostics**
Ana Sierra

10:00-10:15 **Endometriosis of somatic nerves: when what and how?**
Shaheen Khazali

10:15-10:30 **Vascular entrapment of somatic pelvic nerves**
Attila Bokor

10:30-10:45 **Uterine-conservative management for adenomyosis: what is the updated evidence?**
Ahmet Kale

10:45-11:00 **Round table discussions**

11:00-11:30 **Coffee Break** ☕

11:30-13:30 **Young presenters EEL and ETIC SESSION: Best submitted abstracts**
Moderators: Nicola Berlanda/
Vicenzo Lucidi/ Paolo Casadio

11:30-11:36 **Identification and validation of novel genetic risk factors for endometriosis across multiple UK and US patient cohorts**
Krystyna Taylor

11:36-11:42 **Fertility after colorectal surgery for endometriosis comparing conventional laparoscopy and robotic assisted laparoscopy. Should all patients benefit from robotic approach?**
Eric de Labrouhe

11:42-11:48 **RNA-seq analysis identifies a cumulus cell transcriptomic signature linked to endometriosis**
Marie Croquet

11:48-11:54 **Surgical Safety in Deeply Infiltrating Endometriosis: laparoscopy versus robot-assisted approaches**
Jacopo Conforti

11:54-12:00 **Adenomyosis and pregnancy: different types for different outcomes?**
Claudia Morgani

12:00-12:06 **Linzagolix outcomes in women with concurrent endometriosis and adenomyosis: a post-hoc analysis of the EDELWEISS 3 trial**
Marie-Madeleine Dolmans

12:06-12:12 **Concomitant Right-Sided Bowel Resection with Left Colorectal Surgery for Deep Endometriosis: does it increase major morbidity? Evidence From 1,075 Patients**
Paulina Carrillo

12:12-12:18 **Pain and Quality-of-Life Outcomes after Endometriosis Surgery: comparison between patients with and without colorectal involvement – a Study by a member of the BEST – Brazilian Endometriosis Surgical Team**
Luccas Chagas

12:18-12:24 **Feasibility and safety of hysterectomy combined with bowel and/or bladder surgery for deep infiltrating endometriosis: a multicenter retrospective study**
Sofia Gambigliani Zoccoli

12:24-12:30 **Longitudinal Ultrasound-based follow up of non-surgically treated endometriosis using #Enzian classification**
Sara Valeriani

12:30-12:36 **DETECTION of SPE and extra-pelvic endometriosis with a 20-minute 99Tc-maraciclalide imaging scan**
Tatjana Gibbons

12:36-12:42 **Central Sensitization in Endometriosis: preliminary findings using the CSI-9 questionnaire**
Pal Sik

SATURDAY, APRIL 25

HALL B PALAZZO RE ENZO

12:42-
12:48 **Central sensitization and hormonal therapy failure for endometriosis-related pain symptoms: a prospective study**
Alberto Aguzzi

12:48-
12:54 **Timing of Postoperative Hormonal Therapy after Endometriosis Surgery and Recurrence: results from a retrospective pilot study**
Enrico Pazzaglia

12:54-
13:00 **Machine learning models for endometriosis risk stratification using self-reported mHealth data**
Dora Balogh

13:00-
13:06 **Intravaginal norgestrol acetate treatment for symptomatic rectovaginal endometriosis**
Anna Calabrese

13:06-
13:12 **Relugolix combination therapy in the management of adenomyosis: prospective study on clinical and ultrasound response**
G. Zanette

13:30-
14:10 **Lunch** 🍴

14:10-
14:30 **CLOSING CEREMONY**
Live Streamed from Hall A

POSTER SESSION HALL B, APRIL 24

TITLE	FIRST AUTHOR	
P1	Evaluating Large Language Models' Knowledge of Endometriosis Predictors	Emad Mikhail
P2	LINC01638 promotes epithelial-to -mesenchymal transition in endometriosis epithelial cells by upregulating RHOB via HDAC1 suppression.	Iveta Yotova
P3	The Newer Single-Port Robotic Nerve-Sparing Surgery for Rectal Endometriosis: Less Invasive, More Cosmetic	Kiyoshi Kanno
P4	Reframing Chronic Pelvic Pain: Outcomes from a Multidisciplinary Behavioural and Rehabilitation Programme in Southwest England	Jessica Preshaw
P5	Diagnostic Accuracy of MRI Using the #Enzian Classification in Endometriosis: A Single-Center Retrospective Cohort Study	Dina Gumina
P6	Effectiveness of Surgery for Pain Symptoms in Women with Superficial Peritoneal Endometriosis	Maria Maslenko
P7	Advancing Endometriosis Care Through Stakeholder Engagement and Digital Health Innovation	Somayeh Mahdikhani
P8	The Histamine-Driven Inflammatory Landscape of Endometriosis: Molecular Profiling of HDC, HRH1, and Cytokines in Lesion Subtypes	Renata Voltolini Velho
P9	Real-world data: does Relugolix-CT have a place in the treatment of endometriosis?	Dr. med. Luisa Skupin
P10	Implementing a Sustainable Multidisciplinary Endometriosis Consilium: First Year Experience from Tartu University Hospital	Helen Reim
P11	Endometriosis beyond Menopause: Clinical phenotype and ultrasound characterization during follow-up	Sabrina Sassone
P12	Psychological support as part of a hybrid interdisciplinary treatment program for young women with severe dysmenorrhea and high endometriosis risk	Lea Kern
P13	Akkermansia muciniphila reduce lesion growth in endometriotic mouse under pro-inflammatory diet.	Chloé Robert
P14	The 'deep shave technique' as a function-preserving alternative to segmental bowel resection for muscle-invasive bowel endometriosis	Sophie Walter
P15	Closing the void: a robot-assisted laparoscopic repair of a posterior uterine niche	Sophie Walter
P16	Multi-Omic Immune Profiling reveals a dominant role for the IL-6-JAK-STAT3 pathway in endometriosis	Loutje van der Sman
P17	ROBOTIC REPAIR OF ISTHMOCELE IN A PATIENT WITH ADENOMYOSIS: SURGICAL VIDEO CASE	Ainhoa Fernández-Sampedro
P18	A Rare Case of Rectal Fistula Caused by Tubo-Ovarian Abscess from Disseminated Dermoid Spillage: Robotic Repair by Discoid Excision	Oscar Barnick
